Dear Cris Silvestris

Hi my name is Harris. I live in
^{ott}ottawa. My favourite hockey
team is the Ottawa Senators. I
w~~hat~~ is your favourite hockey
team? I like to read books and
play video games. I really like pok-
éMO IV ESSENTIAL HabBOOK because
it has legendary and really good
guys. I think it would be cool
if you could make a pokémon book
that has all of the pokémon's
including x and y. Were you the
person who wrote on the pokem-
on cards? How many books did
you write? please write back.
