Dear Mr Willem's

my name is LEO I go to viscount alexander  
public school I like to read all your books.

I like today I will fly and we are in a book

because geralt does not want the book to end

It's funny, In your pigeon series How did your main  
character become a pigeon? for your next book I th-  
ink that you should have 2 main character's: a cow  
and a hippo and they meet geralt and piggie. You have  
some of the best books

sincerely

Leo
