Dear Jeff Kinney,

My name is Muram. I go to Viscount Alexander Public School. I am 9 years old; I am going to turn 10. I live in Ottawa. I read all of your books. My favourite one was Third Wheel because they go to the disgusting but funny restaurant called Corny's. The best part was when Rodrick was eating he saw a baby's butt. Also the book has some pretty cool pictures. I have a suggestion for your next book it could be called Party Animal. It could be about how Greg is so crazy and goes to parties he is not even invited to. Also the front cover could be light purple because it's one of my favourite colours and it goes with the vibe Party Animal. Me and my friends love your books. They're really interestinge also we love it when

Mahny says "I'm just twee." You're our
book hero. I can't wait to get Hard
Luck. P.s. Please write back!

Sincerely

~~Muram~~
