Dear Jeff Kinney

Hi Jeff Kinney my name is Rayan Ahmed and i'm 9 years old and i go to Viscount Alexander P.S. I really like your books and my favorite is the third wheel because the characters are more older and they can do alot of stuff and i think it's the most entertaining book because it's new. Your next book should be Greg Rules and it can be about Greg growing alot taller than Rodrick. He could push Rodrick instead of Rodrick pushing him to do payback. The book color should be orange. On the first page the book should be having my name on it and it would be great if you did. Bye i cant wait until you do make that book

Sincerely,

Rayan
