Dear Mrs. Poup Osbourn

My name is ROWAN,
I'm a student of Mrs. Moodie at Vescount
Alexander Public School. I like how your characters
travel through time. I really like the book SUMMER OF
THE SEA SERPENT it reminds me of another book
I like called Rowan of Rin because the serpents
are very similar. Maybe you could write a story about
bats. So far I haven't heard much about them. I hope
you keep writing great books.

Sincerely,

ROWAN
